How

Purchase Your Ticket Today! ... *click here!*

Join us as we raise glasses and funds for this worthy cause! When you [buy a ticket](#) to this event, \$15 will be donated to Choices Youth Shelter.

Please purchase your tickets through [PlantNite Event Fundraiser](#) in order to get the donation.

At Plant Nite, a Master Gardener will assist and inspire us—all while we socialize and sip cocktails for a great cause. We'll end up creating fond memories and a unique terrarium. No gardening experience needed! We will be doing a GRAB BAG which means different terrariums will be brought...and you choose which one you want to make!

Plant Nite will donate a portion of ticket sales to Choices Youth Shelter which I am passionate about because of a very special person who made a huge impact on me.

Make it a night!! Come before the event for dinner. The Mill Creek Pub is giving anyone who comes in for the event, 10% off their total dinner bill. (Alcohol excluded).

It will be a great time for a great cause!!! So don't wait!!!!

Let's get together and get planting—[Please RSVP and Register today!](#)

Do not wait until close to the date... tickets will be gone!

Thanks so much for your support,
